

ADVENTUROUS EXPERIENCES: RICEFIELDS, VOLCANOES, MANTA RAYS!

This program is originally conceived for active families who would like to add a little bit more of fun to their holidays, with activities such as Mountain Biking, Rafting, Snorkeling and of course Trekking. It's also a good compromise because it will allow the traveller to see the essential of Bali points of interest, and in the mean time introduce you to the island of Nusa Penida, still not too crowded but with lot of treasures to offer. You also have to love getting wet as there are many snorkeling sessions during the itinerary!!!

Budget & exchange

The currency in Indonesia is the Indonesian Rupiah, Rp (IDR)

Visit <http://www.xe.com> for the latest currency converter and exchange rates. You can withdraw Indonesian Rupiahs from in-country ATMs or exchange money at the airport/local currency exchange offices. ATMs and exchange desks are only found on bigger islands like Bali (Denpasar, Ubud, Sanur). The cost of an average meal in Java is around 3€ to 8€; in Bali it is 4€ to 11€.

When purchasing souvenirs, we ask that our travellers resist the temptation to buy traditional items which are part of local families/the countries heritage. We also ask our travellers to respect the Species Protection Agreements (CITES) which aims to protect more than 2,500 species of animals and 30,000 species of threatened plants by prohibiting the trade of hides, ivory, scales, corals, shells, and the import of live exotic animals.
